Go to Account list and the highlighted in yellow are the ones we will transfer.

Please backup them and let me know when you are ready to upload on the other server. I will then change the name servers for the transfer to happen.

More details about the websites we will transfer can be fond in the following pages

	Domain	cPanel	IP Address	Username
⊞	alphads.com.au	cP	182.50.155.90	alpha
⊞	myownresume.com.au	cP	182.50.155.90	resume
⊞	ozsmartideas.com.au	cP	182.50.155.90	smart
